Veneer Collection

PRICE LIST

July 1, 2013

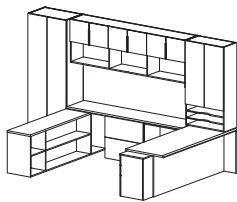

Desks and multiuse workspaces are designed to be flush mounted or overlap mounted to the low credenzas. When overlapping the width of the workspace is adjustable up to 18". When using an overlap there is no constant workstation width, it will vary depending on installation. The Bento options below which use overlaps indicate the maximum workstation depths possible.

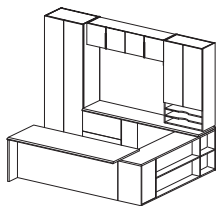

Option A
134" x 98" x 85"
\$ 13,272

- GCB250 Desk w/pedestal 89"x30"x30"
